## LAKE PRESIDENTIAL GOLF CLUB

SEPTEMBER 23, 2010

Without fanfare, Hospice of Charles County helps patients get the most out of life in spite of their illness so they can live in comfort and with the dignity they deserve.

Now, in an effort to meet the demand of a growing and aging community, we are taking the next step by building the County’s only Hospice House.

The Charles County Hospice House will soon be one of the most critical improvements to our community’s health care infrastructure in memory.

Scheduled to open in the Spring of 2011, the Hospice House will provide patients facing life-limiting illnesses, as well as their families, with the kind of 24/7 care they need.

With ten patient bedrooms and a variety of services designed to support patients and their families, the Hospice House offers all the comforts of their own home during those difficult days.

All proceeds from this event will go to complete the construction of the Hospice House. We are more than halfway to our goal of \$2.2 million. Your support through the 2nd Annual Charles County Hospice House Golf Outing -- or other opportunities to donate -- will mean all the difference to those in our community who are in such need of hospice care.
